RFI "FBTX-25"

Ed response to FBTX-25 #3. Consultation of the butterflyed trail has already been completed. The section of the butterflyed trail in parcel 2 has already been consulted on:

Per the State Historic Preservation Office (consultation October 25, 2015 for proposed land sale)-The segment of the butterflyed trail within parcel does not contribute to the site's overall National Register significance. Disposition of the parcel without protective measures will have no adverse effect on the portions of the historic trail remaining on Fort Bliss property.

I have included in spreadsheet as well.

Thank you,
